

EXTENSION

College of Agriculture,
Biotechnology & Natural Resources

Attention:

The University of Nevada Reno, Extension will be performing updates to the current online campus extension trainings. The courses will be unavailable December 22 after midnight through December 31, midnight. This encompasses the courses required by the State of Nevada Child Care Licensing to be completed within the first 90 days of employment.

All course work must be completed prior to midnight December 22 to receive a certificate. Incomplete coursework will result in starting the training over using the 2025 version beginning January 1.

Contact Cathy Peshlakai at cpeshlakai@unr.edu for any questions.
